Im sitting in the _____Noun_____ doing research on some stuff hoping itll help me make some _____Noun_____. Iwe also got sats coming up so i should probably be _____Verb - Present ends in ING_____ for those but hey, whatever. Todays a _____Adjective_____ day and I would just like to relax. After all it is a friday. So I can just kick back, take my _____Noun - Plural_____ off and watch some _____Noun_____. But nooo, I have to be here in the _____Noun_____ and work so i can make a living.
