# Dentitos

The new invention is out, it is finally Adverb. I looked up at the Noun, dentitos it read the new and delicious Noun. They clean your teeth and taste like Noun - Plural. I knew i had to get a Noun of them. I found the store and Verb - Past Tense into it. inside their were thousands and Noun - Plural of bags of Noun - Plural. On one side though all of the dentitos were Verb - Past Participle, stolen, gonzo. Then i saw a mysterious Noun walking out of the store with bunches of Noun - Plural. I followed him down the Noun until he finally Verb - Past Tense around. He said do you have a Noun. Ya I do you Verb - Past Tense half of the dentitos. Ya I did now you can just Verb. Then he pulled out a dentito Noun and shot a dentito at my Noun - Plural. It landed in my mouth and started to Verb my teeth but it also tasted amazing. I forgot all about the Noun and went back to the Noun.
