'Twas the Night Before the Test

'Twas the night before the Adjective test

Through the streets and the house

Not a creature was stirring

Except for maybe a mouse

The backpacks were paused

by the back Noun - Plural with care

Waiting for students who would pick them up there.

The children were nestled

All snug in their Noun - Plural

While visions of exact details

Danced in their heads.

The next morning they Verb - Past Tense

Having slept eight full hours

And ate complete breakfasts

And harnessed their powers.

They _____ Adverb to school

And all got their on time.

Then they smiled as they thought,

"This test is mine."

They read each question _____ Adverb,

They thought through it all.

They _____ Verb - Past Tense quickly but thoughtfully

And sat up nice and tall.

And when the test was all through

They there wasn't one look of sorrow

In fact students said,

"Bring on tomorrow."
