Noun Practice #1

Last week, I took a _____Noun_____ to _____Proper Noun - city name_____ to visit the _____noun - place_____ of Fine _____Noun_____. My son _____Proper Noun - name_____ and I saw several different kinds of art represented, including _____Noun - Plural_____ from ancient _____proper noun - country_____, paintings from the _____Adjective_____ masters, and _____Noun - Plural_____ from Italy. While we _____verb ending in -ed_____ along the galleries, we noticed that there was a statue of a woman called "_____Proper Noun - name_____." The craftsmanship was amazing - the statue looked so _____Adjective_____. The plaque below stated that it had been _____verb_____ in _____Proper Noun - city name_____ in 1990. That seemed _____Adjective_____, since it looked so _____Adjective_____. As we watched, we looked closely at the statue's _____Noun_____. Then, it blinked! We _____verb ending in -ed_____! No way! This wasn't a statue at all. It was a piece of living _____Noun_____ - a person dressed and decorated like a statue who stood still for hours at a time! We left wondering what the city by the _____Noun_____ would offer us next.
