# How to Play Baseball

Baseball is lots of fun but in order to play it you need to know the rules. The ball that you play \_\_\_\_\_  
with is a hard ball that is white with \_\_\_\_\_ that wrap around it. It is called a  
\_\_\_\_\_. The object of baseball is to score the most runs in the end. There are 9 \_\_\_\_\_  
positions. These include pitcher, catcher, 1st base, 2nd base, shortstop, 3rd \_\_\_\_\_, left field, center field,  
and \_\_\_\_\_ field.

The game begins with the \_\_\_\_\_ team batting. The \_\_\_\_\_ tries to hit the ball and quickly run  
to a base. The batter has the goal to run to as many bases as possible. When you are out you have to go back to  
your dugout. Getting out is either when a fielder \_\_\_\_\_ throws the ball to a \_\_\_\_\_ and they tag  
the base that the runner is running to or if a fielder catches the ball in midair. If you do touch home base then one  
point is \_\_\_\_\_ to your \_\_\_\_\_. If there were other \_\_\_\_\_ on base and they run and make  
it to home \_\_\_\_\_ too they will score also. A home run is when the ball is \_\_\_\_\_ hit very far  
that the batter is able to run to all three bases and home without getting out. If a home run is hit the crowd will  
usually \_\_\_\_\_ cheer for the team, if it is the team they are rooting for.

Whoever has the most points in the end will win. If there is a tie you go into "extra innings." Once a team has  
broken the tie at the end of the inning, they will happily win the game. After they win the team will go on the  
field and politely say "\_\_\_\_\_ game" and congratulate their \_\_\_\_\_, the proud  
\_\_\_\_\_ they congratulate their players when they come into the dugout.
