# Summer at the Library

Every summer Kyle and Kim hang out at the Omaha Public Library. Summers in \_\_\_\_\_ are

\_\_\_\_\_, and the library has air \_\_\_\_\_, books, and \_\_\_\_\_.

Kyle likes to watch the \_\_\_\_\_ demonstrations while Kim likes to go to \_\_\_\_\_ day, and both

of them love to read. When they're not reading or going to events, they like to play \_\_\_\_\_ on the

computer. Better than being outside in the heat all summer!
