# Faculty Meeting

I \_\_\_\_\_ late this \_\_\_\_\_ Friday morning. There was a faculty meeting later on that I needed to \_\_\_\_\_ for so I was in a bit of a rush. I \_\_\_\_\_ made breakfast, dressed in a way that complied with the casual Friday dress code, and \_\_\_\_\_ to the office.

Upon arriving I was immediately greeted by one of my \_\_\_\_\_ students. She dropped in unannounced with a request that only I knew how to complete expediently. While \_\_\_\_\_ the request of this \_\_\_\_\_ I noted my box \_\_\_\_\_ with homework dropped off by one of my \_\_\_\_\_ students. This frustrated me as I knew I would need to \_\_\_\_\_ these by the end of the \_\_\_\_\_.

I looked up at the \_\_\_\_\_ and realized the meeting would be starting soon. I knew I was hungry and was hoping perhaps someone had dropped off some \_\_\_\_\_ in the breakroom to eat. I \_\_\_\_\_ in and let out a sigh as I realized the only thing back there was our \_\_\_\_\_ coffee.

Oh well, time to get to the faculty meeting. After all - I am in charge of the team building today.
