7. Preposition

# Alex + Brent = Love

The first time I \_\_\_\_\_ Verb - Past Tense Brent he was playing \_\_\_\_\_ Noun in a \_\_\_\_\_ Noun video that my aunt Jo sent me -my cousin Patty was on the \_\_\_\_\_ Noun. Next time I \_\_\_\_\_ Verb - Past Tense Brent was over e-mail. We planned on \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ Preposition together when we moved to Edmonton for school, but the plans fell through. When we met face to face we quickly became friends and saw each other almost every day. The first time we said "I love you" we were sitting in the backseat of a wooden car in a playground. We decided to move in together after dating for only 4 months. We thought it was a bit quick so we decided to tell each other our life stories. We were visiting Montreal at the time and we walked around the city telling each other stories and it was very romantic.
