# The Infamous Volcano Story

After spending a \_\_\_\_\_ month \_\_\_\_\_ juicy \_\_\_\_\_ in Argentina, the \_\_\_\_\_ Lindsay and \_\_\_\_\_ Paul had arrived in Peru. They were feeling brave and decided that they should tackle \_\_\_\_\_ a \_\_\_\_\_ meter volcano. Despite Lindsay's horrific altitude sickness, it seemed like a smart idea. When we met our fellow climbers, \_\_\_\_\_ mean \_\_\_\_\_ and \_\_\_\_\_ ex \_\_\_\_\_ military men, Lindsay started to feel nervous or so she thought. Approximately 7 minutes into the \_\_\_\_\_ climb, Lindsay felt sick. Real sick! \_\_\_\_\_ Paul took everything she was carrying to make things easier. So now he had 8 liters of \_\_\_\_\_, \_\_\_\_\_ tents, and \_\_\_\_\_ days worth of food. Lindsay was as white as a ghost. She asked to turn back but car wouldn't be back for \_\_\_\_\_ days, she had to go on. "How long will it take for me to get to base camp?" At your speed..." \_\_\_\_\_ hours". Holy \_\_\_\_\_! Little did the Flembridge's know, Lindsay had \_\_\_\_\_ parasites that were deciding to say \_\_\_\_\_ for the first time. The next \_\_\_\_\_ hours were spent dashing off the path to vomit \_\_\_\_\_ or the other thing not needing to be mentioned at a wedding. All the while Paul was a \_\_\_\_\_ gentleman, despite having someone puke directly on their \_\_\_\_\_. That \_\_\_\_\_ volcano will never be the same again and the misadventure helped to carve out the future for the Flembridges.
