

how to eat a walrus.

1. Adjective
2. Noun
3. Adjective

how to eat a walrus.

how to eat a walrus is actually Adjective simple.

you cut of its head and fry it.

then you put it into a Noun fire.

the walrus will then cook and turn into a Adjective crispy meat. the skin will be a niced dark brown and

thn en you can eat it.

dont bite the tusk though.
