Political Mad libs

Dear Legislator,

I have noticed that you are spending a lot of time using social media to _____Verb - Base Form_____ your campaign. I wish you would spend more time trying to help my little town of _____Noun_____. Right now we have _____Adjective_____ _____Noun_____ in the middle or our street and could really use some _____Noun_____ to help get rid of them. I know you would like to be reelected but the people of Karma are tired of your _____Adjective_____ on social media because the money you spent on advertisements could help us get rid of our holes. Until you can help us we will be unfriending you on Facebook, have fun not having any friends.

Love,

_____Adjective_____ of Karma
