stand it if it was an oldern-age boaring school. Anyway, I made a new friend called The name of your pet. We
were playing hockey, and I was about to be hit by the stick when The name of your pet pushed me aside.

I really miss home. How is Name of a little brother and Name of a little sister? I sure hope they're doing
great. Besides that, we're having our first outdoors camping trip on A day of the week. Isn't that the same
day as Mom's birthday? Don't worry, I didn't forget it. And I'll try to be home by then to make you a special
