The End of Times

It was the _____Adjective_____ of times, it was the _____Adjective_____ of times...and of course there were dinosaurs. They loitered in the magical menagerie of _____Noun_____ and gigantic _____Noun_____ until one day the earth started to rumble. Even the giant prehistoric duck, standing 11 feet tall, was slightly alarmed. When Tommy t-rex, the prehistoric scientist came to inform them of their impending doom at the feet of a gargantuon meteor. They hashed a plan to swim through the largest lake
