The End of Times

It was the _____ Adjective of times, it was the _____ Adjective of times...and of course there were dinosaurs.

They loitered in the magical menagerie of _____ Noun and gigantic _____ Noun until one day the earth started to rumble. Even the giant prehistoric duck, standing 11 feet tall, was slightly alarmed. When Tommy t-rex, the prehistoric scientist came to inform them of their impending doom at the feet of a gargantuan meteor.

They hashed a plan to swim through the largest lake
