# Adventure

Once upon a time there was a           animal          . He was bored so he decided to try           Verb - Present ends in ING          .

He was very           Adjective           so he thought he should invite his friends. His friends names were

          Proper Noun          ,           Proper Noun          , and           Proper Noun          . They were           animal          . They didn't like it

so they decided they should go           Verb - Present ends in ING           instead. They went to the           Place           to go

          Verb - Present ends in ING          . At the end of the day they all went to the           Place           for           food          

          food          .
