Creation Legend

| In the beginning, th | nere was only a vast | open space | of fi | rst adjective | . The ruler o | of this " |
|----------------------|-----------------------|------------------------|-----------------|---------------------|----------------|----------------------|
| first adjective | _", was apowerfu | l being name | edfirst nai | me | first name | _ began to imagine |
| whathe or she | could create in the | he <u>first adject</u> | ive . | he or she | first created | the Earth. After the |
| Earth was created, | he or she ma | de other | powerful beings | like | him or her | . There was |
| second name | , thepowerful being | of | plural noun . | There was _ | third name | , the |
| powerful being | ofplural noun | , andf | ourth name | , the | erful being | ofplural |
| noun . One bein | ng thatfirst name | created, | fifth name | , turned ag | gainstf | irst name, and |
| became the ruler of | Noun | | | | | |
| | | | | | | |
| Looking at the Ear | th, first name | saw that it was | s empty. So h | e created | magnitude | of |
| Adjective C | reatures to | the land. | The three mo | ost <u>adjectiv</u> | e creat | ures were the |
| animal name one | , theanimal nan | ne two, and | the anima | al name three | . The last sp | pecies of creatures |
| first name C | created, were the hun | nans. During th | is time the _ | Adjective | Earth and | l everything in it |
| wasAdjective | fifth name | _ did not like t | his so | e or she | Verb - Past Te | on the Earth |
| and her germs beca | nme something bad | Seeing th | is, Ningle | Verb - Past Tens | e on the | e Earth and his |
| germs became the | something good | _• | | | | |
