10. Year In The Future

Family Reunion

Today is my family's reunion in Location. I get to see my Uncle Male person, Aunt Female person, and even my awesome cousins! But one thing I love is the food. Aunt Female person makes us Food - Plural, which are Adjective.

The hotel we are staying at is Adjective. Every morning they give you Noun - Plural and Adjective towels.

I love my family. Too bad I'm not seeing them until Year in the future.
