Romeo Sees Juliet

But, soft! what Noun through yonder Noun Noun - Plural?

It is the east, and Verb - 3rd Person Singular Present is Noun sun.

Arise, fair sun, and kill the Noun moon,

Who is Adjective Adjective and pale with Determiner,

That thou, her Adverb, art far more fair than she.

Be not her maid, since she is envious;

Her vestal livery is but sick and green

And none but fools do wear it; cast it off.

It is my lady, O, it is my love!
