If I had a Twin Sister

If I _____Verb - Base Form_____ my twin _____Noun_____ I would be so happy then my brother would be so confused who to mess with. Also I would have another sister that is not my mom. We would meet in _____Proper Noun_____ in college, and her name will be Kirsten, and instead of _____Adjective_____ her favorite _____Noun_____ would be _____Adjective_____. Her Favorite animal would be a cheetah while mine is a koala. She would _____Adverb_____ be more organized then I am. Even we are very different we would still love each other. But we both agree that we don't like Lance!! I wonder if we could talk to each other with our minds, or feel each other if we get hurt.

When we are older we would go to Australia, or _____Proper Noun_____ CO. We both like to help others and travel. It would be awesome to have a twin sister. I wonder what my dad would think if he had two girls that look the same. _____Adverb_____ my mom wouldn't bother her like she does to me or Devin. I wish at least that I had an actual sister than a mom that is technically your sister and your mom. Trust me it is very confusing. Some times my friends and I _____Verb - Base Form_____ like we are _____Noun - Plural_____ because we are really good _____Noun - Plural_____, but we don't live with each other. Even their sisters treat me like their sister too. So I do have sisters but not blood related just normal friends that act like we are sisters. Still have a twin sister would be awesome.
