"Neutral Tones" Madlib

WE stood by a Location that Adjective day,

And the sun was white, as though chidden of God,

And a few Noun lay on the Adjective sod,

--They had Verb - Past Tense from an ash, and were Pronoun.

Your Noun - Plural on me were as eyes that rove

Over Adjective riddles solved years ago;

And some words Verb - Past Tense between us to and fro--

On which lost the more by our Noun.

The smile Preposition your mouth was the Adjective thing

Alive enough to have strength to Noun;

And a grin of Preposition or subordinating conjunction swept thereby

Like an Adjective bird a-wing....

Since then, keen lessons that love Determiner,

And wrings with wrong, have shaped to me

Your Noun, and the God-curst Noun, and a tree,

And

a pond Verb - Past Tense with grayish leaves.
