A day at boys and girls club

Morg was cross. She was more than cross, she was _____Adjective_____. She had been chosen to mind her little _____Noun_____, again. Normally she quite liked him, as he stumbled after her on his short legs, babbling in a way that made her laugh, but today there was something much more exciting happening. The men were preparing to go on a hunt. There hadn't been a hunt for months. First there was too much _____Noun_____ and then there was too much work with the harvest. But now the wheat was in and the grain was all stored in pits. The Druid was here, bringing blessings from the gods and _____Noun - Plural_____ for the villagers. So the chief had decided that it was time. Outside the men were gathering and the Druid was _____Verb - Present Tense_____. Morg _____Verb - Past Tense_____ to be there.
