Lydia & Tyler

Lydia and I first met in the _____ of 2008 at Camp Glisson when I was _____ my
freshman year of college and she was going into her junior year. We became friends, but did not really
_____ to know each other that _____. I saw her only a few times in between then and summer
of 2010 when we both _____ at Glisson again. From the moment she arrived we _____
_____ closer and so one night I sent her a _____ goodnight. Little did I know, that at some point
she had _____ that she would never need my _____ again so she _____
_____ it from her phone. So after asking around she _____ that it was me that had
_____ her and we _____ to grow closer and it wasn't long before we were
_____. I'm so excited to be _____ Lydia for many reasons. One reason in
particular is to start a family with her. She loves being around little _____, especially if they are
_____ up like food. However, that doesn't mean I want us to have _____ right
away. First we could probably get a _____ and we'll just treat it like a child. The ideal day with Lydia
would start off with a nice _____ morning _____ at IHOP. After filling our stomachs with
tasty _____, we would then set off on an _____ somewhere that we had never been before.
We'd have a _____ and _____ and _____ in the warm sun. After a
long day of _____ we'd return home to _____ and _____ up. Then we would
finish off the day with a _____, followed by hanging out with _____
_____.
