You and I

Once upon a time Ariel fell in love with a lovely girl named Noun. She wanted to make the love of her life's dreams come true. He loved to fly and watch the Noun - Plural fly. He's a Noun driver which means he likes to play with big toys. Though he's been on Noun - Plural he's never been on a Noun. She thought to herself how can she make his dreams come true.... why not creat a scavanger hunt to help him find his way to the Adjective gift for his Adjective birthday.
