Beauty regimens that work!

I've tested out many beauty ingredients and let me show you what works.

For _____ Adjective skin, especially on your _____ plural body part, grab a _____ Noun and soak it for _____ number minutes in cold _____ liquid. During that time, wash your _____ plural body part with _____ substance. Apply the wet _____ same noun you used to your _____ plural body part and work it in _____ shape - triangular circular rectangular etc motions for at least _____ number minutes. Immediately apply _____ liquid. It's best to do this before you _____ verb.

For _____ adjective - Ends in ER, hairless _____ plural body part, you'll want to moisturize them considerably with either thick _____ substance or _____ type of beverage. Wrap your _____ body part in a towel and pat dry with a _____ Noun which helps to soak up any extra _____ type of beverage. Repeat this daily until you see a _____ Adjective glow.

For _____ adjective - Ends in ER, thicker hair that doesn't _____ verb, buy some _____ food and mix it with _____ number cups of brown sugar. It should turn _____ color. Gently apply this to your _____ body part and use a _____ Noun to straighten each strand. Work your _____ plural body part through your hair until the dryness has vanished. In _____ number _____ days years hours seconds - choose one you will notice _____ adjective - _____ Ends in ER, _____ adjective - Ends in ER hair!

For a flatter body part, or even just to lose up to number pounds, mix some white vinegar with food and eat this on an empty inside body part - lung bladder kidney 3 times per day. Eat plenty of raw plural food and drink no more than number glasses of pure liquid a day or night.

Take your animal for a jog or simply run around the outside object - tree mountain house every morning to take off a couple extra inches around your body part.

I hope you enjoy these tips to a whole new you!
