

End of the year pt2

1. Adjective
2. Whining
3. Whimpering

End of the year pt2

Lilly and Kate's clothes were off. They wanted to give Gohan a gift. Espicially Kate. She had a crush on him when they met. Now, she gets to show him how she feels. Kate spreaded her legs apart. Revealing her wet pussy. Lilly crossed her legs and brushed a few strands of fur from her face.

"Come on Gohan."; Kate said giving him a michevious smile.

"We may not be human, but, we can still get pleasure from anyone."; Lilly said. Gohan walked up to them. He picked Kate. They were drawn in a passionate kiss. Kate moaned as Gohan rubbed her breast and her vagina.

Kate put her tongue in Gohans mouth. Since Wolves had a Adjective tongue, she dominated Gohan quick.

Gohan began to use his saiyan power. He pushed back into Kate's mouth, whilst tongues were still touching.

Gohan pressed his manhood to Kate's pussy. She let out a small moan. Gohan slowly entered her. They both let out a long moan. Gohan gazed at her. She was sexy and beautiful. Lilly began Whining and Whimpering thinking Gohan was giving her sister all the attention.

"Hush my sweet..."; Gohan said and kissed Lilly. Gohan fingered her while thrusting into Kate.

"I never thought... sex will feel so good with... wolves..."; Gohan said moaning. Lilly began masturbating herself . "F-fuck i'm cumming!"; Gohan moaned. Kate smiled and began pushing back to his dick.
