-Elsewhere inside the school-

Riku sat in class, ignoring his fangirls dreamy looks and flirtatious gestures. Just like any other day, though something

seemed alittle off. The teacher came in with two students, one had darkish blue hair with a light blue bubble hair pin while the other had very-very dark brown slicked back spikey hair (saved for some of the hair came down infront).

"Do I.... Know them two?" Riku thought, one eyebrow raised up as they went to their seats; two rows infront of him. He let out a small _____Noun_____, writing down his homework and knowing that he's going to help tutor Sors for a upcomming and important test next week.

"These are your friends you where talking about, Kairi?" The blue haired student asked, Kairi noded and smiled brightly, "I'm Aqua, Kairi told me alot about you two."

"I'm Sora. Its nice to meet you too, Aqua!" Sora said, pulling Riku over, "And this silver haired devil here is Riku!"

"We should all go to the amusement park!" Aqua said, three more figures came over as Terra smirked.

"I heard amusement park, and I wasnt invited?" The spikey flame-red colored haired person said, a big grin on his face as Aqua pouted but smiled anyway.

"Only you Axel..." The darker haired blond said, a smile on his face.

"Okay! Okay! We all get _____Pronoun_____...." Sora said, waving his arms around to defuse the rising tension between the brothers. They crossed their arms and looked away from one another, everyone laughed before begining their journey home with one another....
