Rapped

Gohan and Kate were in the den. Gohan was fucking Kate from behind against the wall.

"Oh, Gohan! It feels good!"; Kate shouted with her tongue hanging out.

Gohan Moaned or groaned real loud enough to scare the caribou away. In fact, too loud to let someone hear.

Gohan grabbed Kate's waist and began pulling her back to his cock. Kate began breathing faster and climaxed.

Gohan climaxed in her ass.

"How was it, Kate?"; Gohan asked.

"I can tell she must have enjoyed it.";

A voice called out.

"Mother?"; Kate Moaned or groaned.

"Didn't I clearly say, No Sex? And you're doing it with a human?"; Eve said.

"My bad. I couldn't help myself"; Kate said.

"Human. Come with me."; Eve said.

Gohan pulled out of Kate's ass.

"Kate, please exit the den."; Eve said.

Kate did what she was told.

"Your gonna kill me arent you?"; Gohan asked.

"No..."; Eve said.

"Phew."; Gohan sighed.

"I'm gonna rape you."; Eve said and jumped on Gohan. She neared down to his wet dick and sucked it whole.

Gohan Moaned or groaned. Eve swirled her tongue around Gohan dick.
