# A Prayer in Spring

Oh, \_\_\_\_\_ Verb - Base Form us \_\_\_\_\_ Noun in the flowers to-day;

And give us not to think so far away

As the uncertain harvest; keep us here

All simply in the springing of the year.

Oh, give us pleasure in the \_\_\_\_\_ Noun white,

Like nothing else by day, like ghosts by \_\_\_\_\_ Noun;

And make us happy in the happy bees,

The swarm dilating round the perfect \_\_\_\_\_ Noun.

And make us happy in the darting bird

That suddenly above the bees is heard,

The \_\_\_\_\_ Noun that thrusts in with needle bill,

And off a \_\_\_\_\_ Noun in mid air stands still.

For this is love and nothing else is love,

The which it is reserved for God above

To sanctify to what far ends He will,

But

which it only needs that we fulfil.
