My Pet

I have a Adjective, Adjective pet. Who needs a Adjective house. He has a Body
Part and Body Part - Plural, too. He's my Adjective friend named Mouse.

First Name of a Person says, "I bet he Verb - Present ends in S!" First Name of a Person thinks he's such
a bore. But Mouse is Adjective and Adjective and I couldn't love him more!

Mouse is always Verb - Present ends in ING or Verb - Present ends in ING 'round his wheel. He likes to
Verb - Base Form and loves to Verb - Base Form and Verb - Base Form through each meal.

I love watching Mouse at play or Verb - Present ends in ING in his nest. My friends think Animal (plural)
are Adjective pets but I think they're the best.
