Kateniss has her birthday party!

Once, there was a girl. Her name was First Name of a Person. She had always wanted a birthday Noun, but they were too poor to afford one. But then, her friend, First Name of a Person, decided to throw a party just for her. The, along with all of her friends, he went to her Noun and surprised her with a Noun and Noun tickets to Epic.

Afterwards, the yall played hide-and seek. For some reason, they couldn't find First Name of a Person, so they all gave up and went to swim in the creek. But they all got leeches so they ran back for some Noun.

After that, they stayed up till 1:00 making mad libs.

And First Name of a Person finally got her Noun.
