A love story begins

I suppose I should do a _____ Adjective _____ run of this.

I want to make a cool mad lib that everyone will enjoy doing. I have to find out how this works and if it will work well for our _____ Noun _____. That means that I have to know what it looks like in the end. And how it formats things.

For _____ Adjective _____ days now I have wondered about this. I'm glad that I am finally trying it out. There are so many things we could try, but this is the one that I am trying right now. For several days now I have wondered about this. I'm glad that I am finally _____ Verb - Present ends in ING _____ it out. There are so many things we could try, but this is the one that I am trying right now. For _____ Number _____ days now I have wondered about this. I'm glad that I am finally trying it out. There are so many things we could try, but this is the one that I am trying right now.
