The Story of Sara & Joe

Sara was just a Adjective girl when she first met Joe, but it wasn't until they were in Location when they finally started to Noun. Sara knew Joe was Adjective, but her teenage Verb - Past Tense hormones were not use to dating Adjective guys, so they went their own Adjective ways. Then, one Adjective day on Christmas Break of Year, they ran into each other and Joe was Verb - Past Participle by Sara's Noun. He Adverb asked her to Verb him. Sara not only Verb - Past Participle him but jumped in her Noun and headed to Location to go see his Adjective Part of Body and the rest is Noun.
