Magical time at Harry Potter Land

At the age of _____Number_____ Harry Potter was given a letter from a(n) _____Animal_____in which it explained that he was accepted to Hogwarts School of Witchcraft and Wizardy. Upon acceptance to Hogwarts, Harry soon found out that there were dark wizards afoot causing mayhem and destruction. Harry then got with his friends, the smart Hermoine Granger, and the reliable Ron Weasley. Together they fought the evil wizards of the world, led by the evil Lord Voldemort. All the while, they made friends and enemies while attending classes such as potions, defense against the dark arts, and transfiguration. Eventually, having passed classes and realizing the fight against evil was up to Harry himself, he picked up his belongings, wand, owl, trunk, and took off into the night to fight with the evil wizards. Not long after, Harry was victorious in triumphing good over evil, and all was well in the wizarding and muggle world.
