Once upon a time...

Gina & Eli fell in love. Eli was very fond of Gina's Noun and Gina adored his Noun. After a Adjective wedding, they traveled to Proper Noun to enjoy the Noun. They had an Adjective honeymoon while enjoying each other's Noun. Number years and Number children later, they looked back and Verb - Past Tense about how Adjective life has been. The marriage always flourished, mostly due to the Adjective advice that they received on their wedding day. "Don't forget to always be Noun, and always Verb up after yourself. Eli should always Verb and Gina should always Verb. Eli should be especially weary of Verb - Present Tense the Noun and Gina will always be Adjective."

Gina & Eli live happily ever after.
