Fallen Kingdom (Complete song)

I used to rule the Noun

Noun would load when I gave the word

Now every night I go Noun away

Noun from the Noun I used to slay

They once were Noun

Every time I looked into their Noun

Animal (plural) would cheer my way

For a Noun I was, that's what they'd say

One minute we had it all

Next our Noun began to fall

Away from all that it had once become

They all cried for my Noun, but I stood there Noun

I gaze off into the Noun skyline

Noteblock Noun playing in the sunshine

Turn 'round pick up my sword and wield

The

blade that once forced _____ Noun _____ Noun to _____ Noun

And hope one day that this chaos and

Destruction turns for the _____ Noun

Never a _____ Noun in hand

And that was when I ruled the _____ Noun

It was the _____ Animal (plural) and _____ Animal (plural)

Blew down the doors and _____ Noun us in

_____ Noun - Plural whizzing by like streaks of light

I tried all that I could to stay and fight

As the _____ Noun roamed the street

_____ Noun broken at my feet

Life itself suspended by a _____ Noun

Oh, why is it that I wasn't _____ Noun

I gaze off into the boundless _____ Noun

Noteblock _____ Noun playing in the sunshine

Turn 'round pick up my sword and wield

The

blade that once forced Noun Noun to Noun

If this battle should leave me slain

I know that Herobrine Noun my Noun

Better to take a stand

And that was when I ruled the Noun

I gaze off into the boundless skyline

Noteblock Noun playing in the sunshine

Turn 'round pick up my sword and Noun

The Noun that once forced Noun Noun to Noun

If this Noun should leave me Noun

I know that Herobrine Noun - Plural my Noun

Better to take a Noun

And that was when I ruled the Noun
