when me and my friends went on a vacation

1. Adjective _____

when me and my friends went on a vacation

One day when i went to school. it was almost school over and i ask Jessie, Iyonna, Moniqua, Jashiya did they wont to go to michagan adventures then they said yes i will go then i said wait _____Adjective_____ then they said ok then i came back then affter that we left and went home and we ask are parent can we go to michagan adventures and all the parents said yes then after that we all started packing then we went to sleep and then i got my mom car and i picked up my friends then we drove their and then we went on the roller coaster then we went on this scary one ride we was all yelling and we had the best time of are life.
