# The Crazy Day

I was \_\_\_\_\_ my \_\_\_\_\_ day. \_\_\_\_\_ was late to school and missed the warm up in LA. As I \_\_\_\_\_ to math I dropped all of my stuff and was late for a second time. Then after math I was \_\_\_\_\_ and \_\_\_\_\_ was not for another half an hour. \_\_\_\_\_ teacher was not in the \_\_\_\_\_ when I walked in. Then two minutes after the bell had sounded. Our teacher \_\_\_\_\_ walked into the classroom. \_\_\_\_\_ put on an extremely \_\_\_\_\_ video for us to watch. The bell sounded and \_\_\_\_\_ from the \_\_\_\_\_. After lunch I \_\_\_\_\_ to science. When I \_\_\_\_\_ in was met by a \_\_\_\_\_ smell hit me. Then the phone rang and a \_\_\_\_\_ had to go home. My teacher said that the smell was come from an experiment gone wrong and \_\_\_\_\_ had to \_\_\_\_\_ clean up the \_\_\_\_\_ mess. After science \_\_\_\_\_ had to go to PE. Finally after PE my school day was over but I still had to go to my brother's saxophone lesson. I had \_\_\_\_\_ forgotten that I had to do a math project. When I got home the house smelled like flowers. Then I had to go to the saxophone lesson that blasted my ears because my brother was still learning how to press the keys. That was my crazy day.
