# My favorite dog

My dog dog name is Bella and she love to eat vegetables. she is a healthy dog who like to lick on us when we are mad at somthing. One time Bella was mad becuase she ranned out of food and we had to walk all the way to meijers and bought her some food. We came back and gave her some food and she was still mad my mom, was trying to figure out why is she mad but, she couldnt figure it out so we tryed to give her a bath. She liked it she was then a happy dog in the world and Bella will always be my Adjective dog ever.
