Hetalia the Word Lib: Who is the best country?

On the of the World Summit, _____Country_____got up to find that _____Country_____had filled his house with tomatoes. The normal reaction would be to yell at little _____Country_____ but _____Country_____who loves tomatoes jumped for joy. That was until _____Country_____walked in and made him clean all the tomatoes up.

_____Country_____who was watching crept up behind _____Country_____and hit him in the head with a frying pan.

_____Country_____who is drawn to violence, challenged _____Country_____to a duel. _____Country_____joined, and beat everyone in a race to _____Country_____. _____Country_____was angry so he tried to put a spell on _____Country_____but it missed and hit _____Country_____and _____Country_____which caused them to switch bodies. _____Country_____refused to join because he was to busy painting _____Country_____pink. _____Country_____and _____Country_____were at _____Country_____house at the time and were both run over by her cow who was trying to find _____Country_____.

_____Country_____was flying above _____Country_____. Of course _____Country_____was making Pasta.

_____Country_____sat quietly with _____Country_____. They were both wondering why all the other countries were running around like lunatics. _____Country_____was all alone because _____Country_____was out shopping for Christmas presents. _____Country_____tried to cheer him up by juggling _____Country_____and _____Country_____but it had no effect. _____Country_____and _____Country_____were in the kitchen when _____Country_____walked up to them and insisted that he had invented kitchens. _____Country_____and Hong-Kong rolled their eyes and continued playing with fire crackers and Pandas. Germany was still at his house refusing to come out until he had drank a whole gallon of beer. Now Australia and Wy saw the commotion and decided it best to stay at home. All of the countries were now turning pink and green and polka dotted. Switzerland came out and told them "HEY! SHUT UP

OR I'LL BEAT YOU WITH MY PEACE PRIZE!"; Switzerland was then turned into a Rabbit by England. It seems like the only one left standing is Liechtenstein! THis is why Liechtenstein is truly the best country ever.
