

When They Met

1. Proper Noun

When They Met

Once Apon a Time, There Was A Lonely Guy Named Jorge. Jorge Was a Very Shy And Quiet Person, But Once You Actually Got To Know Him, He Was Very Talkative, Nice And Caring. One Day, He Was Very Sad Because His Girlfriend Ashley Had Broke Up With Him. So This One Girl, Proper Noun Esther, Felt Bad For Him, And Went To Go Sit With Jorge In Class. He Had His Head Down, And Then Esther Took Out Her Phone And Put A Song On And Started Singing To Jorge. Jorge's Eyes Got Really Wattery And He Put His Head Down. From That Day On, Jorge And Esther Became Best Friends. A Month Later, They Got Together And Lived Happily Ever After. The End. ;)
