David Miner

There was once a _____Noun_____ named _____Proper Noun_____. His friend was called _____Proper Noun_____. We were in the media center, when a strange _____Noun_____ was seen outside the window that was viewing the _____Noun_____. It looked like a man that had been thrown into a _____Noun_____, burning for 4 hours, and then _____Verb - Past Tense_____ in the face 3 times. He walked with a limp, and very _____Adverb_____. It held its hands out in front of it, as if it were blind. _____Pronoun_____ wore a sailor's suit and broken glasses and worn black leather boots. It walked into the library and Mrs. Kaveny didn't see it, as it grabbed her by the neck and started eating her head open. All of the kids ran away, but only 3 _____Verb - Past Tense_____, as there were three more sailor looking zombie things. The three kids were named David, Logan, and Jake. One kid named Connor was almost alive, he was crushed under a pile of rubble that was caused by the kids running and screaming and hitting the ceiling with _____Noun - Plural_____ they found on the ground. The entire roof had collapsed; everyone that did not escape the school was dead. _____Pronoun_____ was dead but the three kids. They ran away from the school, the sky was _____Adjective_____ and full of _____Adjective_____ fog. They zombies were everywhere. Jake was the first to die he tripped on a rock and cracked his head open on the pavement as a zombie grabbed his corpse and ate the remains. Logan and David _____Verb - Past Tense_____ toward the Urbana Library but, by the time they got there, everyone else was dead. They ran to David's house where there was a stash of shotguns and rifles. They went and got all the guns, and then they found Jake's zombie body, and _____Verb - Past Tense_____ him to death. The end!
