Connor Weiss

In alliance space commander Connor Shepard arrived after escaping the reapers on earth, his planet was _____Verb - Past Participle_____ for the most part but they are still fighting in earth. When we _____Verb - Past Tense_____ we asked the council for help, they didn't agree to help but the human _____Noun_____ and the Turian councilor agreed to help, under _____Number_____ condition, _____Pronoun_____ help the Turians on palaven, the _____Adjective - Superlative_____ moon of their home planet. After we went through that we got a distress call from Eden prime, somewhere I had not been in a _____Adjective_____ time, when we arrived there, Cerberus _____Noun - Plural_____ were there _____Verb - Present Tense_____ for a prothean _____Noun_____, after _____Pronoun_____ _____Verb - Past Tense_____ them out, we went to the artifact, and we opened it and a living prothean came out, and he agreed to help us against the reapers. We gathered many other races to defeat the reapers, but we went back to the citadel and something was off, Cerberus had invaded, and we stormed through and we got to a room and saw the salarian councilor standing there, but she was _____Verb - Past Participle_____ by kai-leng, my _____Noun_____, after that we went to the Cerberus _____Noun_____ to kill the illusive man once and for all, but when we got there, he was not there. But kai-leng was and we fought him, and he lost, but then the illusive man came onto the hologram and he told us that the citadel was at earth and that the crucible, a large prothean weapon that could wipe out entire races, was there to. We made it to earth and then we made it to the reaper, harbinger, the first reaper, he hit me with a beam and killed my team, then I woke up and walked to the beam and it took me to the core of the citadel, I saw Anderson there and the illusive man showed up, he tried to convince me to not destroy the reapers, but then he shot me and Anderson, and we killed him. I passed out and a rising platform took me up to

the crucible, and I saw a child that died on earth, and he told me about the crucible, and said that I could destroy synthetic life, control the reapers, or destroy the reapers, either way I destroyed the mass relays, and I would die to. Shepard destroyed the reapers and brought peace, until a new threat would rise, his surviving team crash landed on an unknown alien planet with the Normandy, and that was it. My team placed a plack on the wall that said admiral Anderson and commander C. Shepard.
