testing this out

1. Noun _____
2. Adjective - Ends In Est _____

testing this out

There was once a man _____Noun_____, who wanted nothing more then to not be a character. He hated the thought of being a _____Adjective - Ends in EST_____ so much that the moment authors and their muses caught him, he'd escape again into another story to hide in. He always claimed he wasn't a character but in fact, his conflict with the authors made him one.
