Hello First Name of a Person!

Yes, I DID receive the Adjective Noun you sent me! It is so Adjective, I have it displayed on my Adjective Noun so all my Noun - Plural can see it. It is definitely the Adjective - Ends in EST swap I have ever received. Even the Noun you sent it in is Adjective.

I am Adverb sorry that I haven't rated you yet. I go to the Adjective post office only once every Number Period of time, and then when I get home, I put the Adjective packages aside on my Adjective Noun to rate them later. And then sometimes they get buried under Adjective Noun - Plural. Or I forget to rate because my memory is Adjective (from when I was in that Adjective accident with the Noun). Or my Adjective Animal lays on the Adjective mail and I don't see it. Or my Adjective Relative moves my mail to the Noun in the Room. Or my Medical Condition flares up and then it's hard for me to Verb - Base Form a Adjective comment. Sometimes, I Adverb leave my mail in my Adjective Means of transportation and my swap partner's Noun - Plural go riding around Location for Number Period of time! haha

Well, I would go and rate you now, but I have used up all my Adjective computer time writing this Adjective

message. And I have to go join _____ Number more _____ Adjective swaps that I won't rate until
_____ Year.

Thanks again for the _____ Adjective swap!
