To my Dearest Tania

I cannot contain my _____Adjective_____ that today is our wedding day !

It seems like only _____Adjective_____ when I first saw your slippery toe. I could not believe how sissy you were, and today I am the luckiest hippo alive. You are cosy, purple, and dicey, and I couldn't ask for anything more. The way you run melts my heart. I want you to know that I will do all I can to give you a grand life. My job as a teacher may not seem like much, but we will be rich with music, pain, and clips. One day we will have 9 bland children. I hope that they have my eyes and your clammy ears and skin. When I see you walk down the aisle today I know I will rough with joy ! I love you with all my back.

Love,

Peter
