How They Met

Once upon a time Breanna and Devin met at a Adjective Adjective. The first thing that Breanna did was Verb - Base Form Devin. Devin was shocked to be Verb - Past Tense by Breanna, that he immediately asked her out on a Noun and Breanna said exclamation! They went to the Location and they held Noun - Plural all night. Ever since that day, Devin has never gotten Breanna out of his Noun. It only took him Number years to give her a Noun.
