To make a short story long part 1

You feel like your falling down into an abyss. No wait, your now awake in some Location. It's not yours.

Some guy comes in the room. "eh? you up wise Noun? The names Male name. yours

Noun?" . You look around. "I don't know" you say. "oh, you got that uh, made up illness?" asked

same male name. "What's that mean?" You ask. you sure felt like you could burst with feeling right

now.
