Launder Libs

Once upon a time, Cody and Rachel met at Noun . Both of them were Adjective but weren't sure they had time for Verb - Present ends in ING . But soon things changed. Rachel couldn't deny that she Verb - Past Tense spending time with Cody. So Cody invited Rachel to go out again and she couldn't say no . Rachel thought Cody was Adjective . Next, he took her Verb - Present ends in ING . Rachel wore her favorite Noun and made herself look as Adjective as possible. However, they were still just friends. Finally, when Cody brought Rachel home after their third date, Rachel had to ask Cody if he was going to Verb - Base Form her or not. He did. The rest is subject in school .
