# Party All Day

Every time our _____Noun_____ meet

This _____Noun_____ inside me

Is almost more than I can take

_____Noun_____, when you touch me

I can feel how much you love me

And it just blows _____Noun_____ away

I've never been this close to anyone or anything

I can hear your thoughts, I can see your dreams

I don't know how you do what you do

I'm so in love with you

It just keeps getting better

I wanna spend the rest of my life

With you by my side

Forever and ever

Every little thing that you do

Baby, I'm amazed by you

The smell of your skin

The taste of your kiss

The way you whisper in the dark

Your hair all around me

Baby, you surround me

You touch every place in my heart

Oh, it feels like the first time every time

I wanna spend the whole night in your eyes

I don't know how you do what you do

I'm so in love with you

It just keeps getting better

I wanna spend the rest of my life

With

you by my side

Forever and ever

Every little thing that you do

Baby, I'm amazed by you

Every little thing that you do

I'm so in love with you

It just keeps getting better

I wanna spend the rest of my life

With you by my side

Forever and ever

Every little thing that you do

Oh, every little thing that you do

Baby, I'm amazed by you
