information. One day in math class the teacher said, "Today, we are going to learn about something new, fun,
exciting, they are called POLYHEDRAS!" The particulary astute scholar was suddenly ! "
What in the world is a polyhedra?," thought the scholar. "Oh well," thought the schoalr, "I will work hard and
pay attention because I know anything the teacher has to say is extreamly important!" Right in the middle of
saying the definition of a polyhedra, the teacher began to ! "OH NO!" Screamed the class!
Now, the astute scholar knew that getting frantic and calling out was not allowed, so they calmy said, "STOP,
VOICE OFF!" The schoalr walked toward the wheezing teacher and said, "Stop, you are okay. You have
allergies, drink this water and take a deep breath." The teacher stopped verb - Present ends in ING and the
scholar back to their desk. The other scholars in the class were amazed as they appaulded!
While the astute schoalr was helping the teacher, the principal caught wind of the
news and raced upstairs. When they found out that the astute schaolr saved the teacher's life, they gave them an
